**Associate-Bachelor Level Courses**

**A Study of the Book of Hebrews (BS103)**

This in-depth exposition of one of the most powerful letters in the Bible will reveal much about our relationship with God as we discover Jesus Christ our Great High Priest. The study explores the types and shadows of the Old Testament, which reveal the reality of Christ in the New Covenant. God's plan of salvation will become more clear and meaningful, and our faith made strong.

**The Wind of the Spirit (TH426)**

This course will seek to closely examine the spiritual climate within the contemporary church, in light of both Scripture and early church practice. Particular attention will be given to the relationship of the Holy Spirit residing within the believer, which produces deep intimacy and communion with God, as well as effective witness, thereby impacting the world in a spiritual and dynamic way.

## Masters Level Courses

### Dispensationalism (TH513)

This course will provide a systematic study of the metanarrative of Scripture, examining God's redemptive plan for man from a dispensational perspective. The ability to discern the various ages and dispensations perform a very important role in understanding the overall plan of God for the earth and man.

### Effectual Theology (TH526)

This course will encourage participants to prayerfully and intentionally engage the subject of spiritual renewal, both personally and in ministry. Emphasis will be placed on the indwelling of the Holy Spirit in the believer, as effective witnesses unto Christ (Acts 1:8).
